

Field Day. 'Restoring Landscape Function with the Mulloon Institute'.

The Bass Coast Landcare Network in partnership with Melbourne Water are hosting this exciting field day featuring expert representatives from the Mulloon Institute. The field day will be focusing on the 'restoration of landscape function', using a local Woodleigh farm as a focus farm. The field day will:

- include an overview of the Mulloon Institute's methodologies
- discuss design options at predetermined sites at the focus farm
- host a farm walk to discuss future on grounds works for demonstration purposes.

If you're interested in this exciting event, then this field day is not to be missed. We look forward to seeing you at this exciting event.
