

River Garden Blitz & Upcycling & recycling in the Garden

River Garden Blitz - We can't wait to welcome you back to the River Garden....Come along and join our River Garden Community at our monthly Blitz mornings, meet like-minded people, assist to consolidate and maintain our growing spaces and more. There are tasks for all abilities, sharing of information and produce plus learning for all. The produce is growing, however so are the weeds and grasses, we need your help!!

Upcycling and Recycling – Family fun session

These fun family friendly afternoons will be packed with great information and hands on activities suitable for all ages!

- Creatively upcycling in the garden
- Composting & compost teas
- Junior Landcare activities

With special **Guest Presenter Rick Coleman, Permaculture Guru from Southern Cross**
