

Farm Business Resilience Workshop: Bass Coast

The Farm Business Resilience Program is supporting farmers to develop the knowledge and skills they need to improve their farm business and be better equipped to manage the impacts of drought and a changing climate.

Agriculture Victoria, in partnership with the ION Group, is inviting you to join other farmers in a **free short course** with specialists on the following topics:

-  Business planning and risk management
-  Farm finances and profitable decision making
-  Managing people on farm, farm safety and wellbeing
-  Climate adaptation and natural resource improvement including soil, water, crops and pastures.

Workshop Details:

- Monday 6 to Wednesday 8 May (Block one)
- Monday 20 to Wednesday 22 May (Block two)

9-30am to 2-30pm Lunch provided

Location: Wonthaggi – Venue TBC
