

Bass Coast Landcare Network farm walk- Establishing multi species crops with Jade Killoran.

You are invited to an exciting farm walk at the Archies Creek property of Ric and Mez Oldham.

Ric has been trialling multi species cropping on his farm for a few years with varying success. With some expert advice from Jade Killoran (Healthy Farming Systems) his most recent attempts on some small trial plots has had some success.

Come along and hear from Ric Oldham and Jade Killoran on how to establish Multi Species Crops on Bass Coast Farms.

This will be a fantastic interactive farm walk and we hope to see you all on the day.

Biosecurity measures will be in place on the day. Please ensure your vehicles and footwear are clean prior to this farm walk.
