

Chris Miller Planting Day

Activity details

Bass Coast Landcare Network, Korumburra Landcare Group and Gippsland Threatened Species Action Group will be teaming up for a community tree planting day at Chris Miller's property in Bena on **Saturday, the 16th of September.**

The project will contribute to establishing important habitat for the endangered Giant Gippsland Earthworm using guidelines developed through the 2022 GGE Threatened Species Grant. On the day, we will aim to plant 3500 plants! Lunch will be provided, please make sure any dietary requirements are provided. We hope to see you there!

Biosecurity measures will be in place on the day. Please ensure your vehicles and footwear are clean prior to this farm walk.
