

## FIELD DAY WEBINAR over ZOOM.

### The Circular Economy – what is it and how does it relate to regenerative land management?

Do you wish to find out more about circular economies? How can landholders benefit from a society-wide shift to recovering, recycling and re-using materials that previously were disposed of as waste? Where to landholders fit into this?

If you are interested in accessing opportunities from the emerging circular economy, this exciting webinar will help you understand WHY you need to transition and HOW you can start your journey.

Guest speakers include:

- Zoe Geyer- Totally Renewable Phillip Island.
- Declan McDonald- Soil Scientist & Regenerative Agriculture Consultant.
- Mark Gardner- Regenerative Agriculture Business Consultant (Vanguard Business Services)

This will be a fantastic webinar event and one not to be missed.  
We look forward to seeing you all over Zoom.
