

Concerned about storm impacts, power and communication outages or the local fire risk?

COMMUNITY RISK AND RESILIENCE WORKSHOP

Monday 25th March

6pm - 8pm

Kernot Hall,

1060 Loch-Kernot Road

Join us for an interactive workshop focused on building resilience in emergency situations.

- Learn practical strategies to mitigate risks and prepare for severe weather events.
- Expert-led sessions on emergency planning and response
- Hands on activities to enhance your preparedness skills
- Networking opportunities with like minded neighbours

Free BBQ!
