

Bass Coast Landcare Network Discussion Group Farm Walk- 'Integrating compost on farm'.

Are you interested in learning more about integrating compost onto your farm? Do you want to find out more about how you can use compost in a sustainable farming system, the do's and don'ts and what to look out for? Join us for this exciting farm walk featuring David Walker from Aussie Compost, who will demonstrate the process used to create compost on farm, and respected agronomist Chris Alenson who will discuss the benefits a healthy compost can provide to a farming enterprise. We look forward to seeing you on this exciting farm walk.
