

# Holden Partnership Planting day

## Bass Valley Landcare Landcare Biolinks Project

The Bass Valley Landcare Group would like to invite you to a planting day at Frank and Cathy Lemans property in Kernot. We will be planting 3000 plants in a great Remnant Site near the Bass River. We also have Mandy Leggett from the WGCMA conducting a cultural heritage induction prior to the planting.

### When?

Friday the 29<sup>th</sup> of June  
10am – 2:30pm

### Where?

Frank and Cathy Lemans farm  
1175 Loch Kernot rd Kernot 3979

#### Lunch provided

Kernot Store Woodfired Pizzas and refreshments provided (please specify dietary requirements)

### What to bring?

Gloves, water and sunscreen, gumboots

### RSVP

Places for this volunteering opportunity are limited. Please register your interest on Eventbrite by clicking this link
