Bushfire Myths Webinar and launch of the online Firewise Learning Hub.

Join us for this online Firewise webinar event where you will hear from keynote speaker, Owen Gooding, about 'bushfire myths'. The webinar will also launch and showcase the recently developed online 'Fire Wise Learning Hub'.

Owen has been involved in biodiversity conservation and bushfire management for over 23 years working with state and local government and the CFA. He was a member of the 2009 Victorian Bushfires Task Force which undertook research into house loss on Black Saturday.

We hope you can make it along to this exciting webinar event.
