

KAYAKING THE MACALISTER FOR WILLOWS

WHEN: 25TH-26TH FEB, 2023

WHERE: MACALISTER RIVER CAMP SITE/
CHEYNES BRIDGE TRACK, GLENMAGGIE

Our first event of 2023 is locked in, and we are very excited about it!!

Gippsland Recreation Outdoors will once again be guiding us down a section of the Macalister River. This time we will be in the headwaters above Lake Glenmaggie, in the beautiful Macalister Gorge Scenic Reserve. This section of the Macalister was last treated for Willow (a noxious weed) in 2019, and we will be hunting for any regrowth. The paddle will finish up at the beautiful Cheynes Bridge Camping Area, where we will camp the night (bring your bathers!).

Dinner & breakfast are included in the ticket price, but BYO lunch, snacks and bevvies

Just a heads up, this event will be popular so get in early and book your spot at [LINK](#). Note that if you buy a ticket there will be no refunds, because we still have to hire the boats and we want to see you there!!

If you have any questions slip us a DM!
