This practical, on-farm workshop is designed to support farmers to make confident, informed decisions in challenging seasonal conditions. With presentations from Leigh and Liz Crocker (Ion Group) and Fiona Baker (Agriculture Victoria).

Topics will include:

- feed and water budgeting
- financial planning
- identifying key management triggers to help plan for the months ahead

Project Ag-Resilience is supported by the Australian Government through funding from the Natural Heritage Trust under Climate-Smart Agriculture Program. This event is being delivered by Bass Coast Shire Council and Bass Coast Landcare Network on behalf of Agriculture Victoria as part of the Victorian Government's statewide Drought Support Package.
