Network

Mission

The Bass Coast Landcare Network Public Fund is a regional non-profit organisation comprised of six independent trustees. It focuses on conserving biodiversity throughout Bass Coast.

We do this by supporting community groups to work in their local area to add value to their conservation efforts, encourage broader community ownership and participation and by working in partnership with other land managers. We help protect native plants and animals in Bass Coast's most ecologically important landscapes.

The Bass Coast Landcare Network Public Fund aims to support community groups to improve the environment of our public spaces and create community access to these unique areas.

You can contribute

We need your help to support projects with environmental and community focus that are worthy of our sponsorship.

By making a contribution, you have the power to help shape the future of Bass Coast's natural places – a future where habitat for our extraordinary wildlife and unique coastal landscapes remain intact.

Your gift can make a real difference to the threatened and vulnerable ecosystems within our region.

Look after yourself and loved ones first; however, a gift to the Bass Coast Landcare Network Public Fund provides something extra for the longer term – the legacy of a protected natural world in which we, and future generations, can find joy, peace and wonder.

Bass Coast Landcare Public Fund is entered on the Register of Environmental Organisations. Gifts made to the Fund are tax deductible.

How to Contribute

Once you've decided to support our work, we can provide further details for you to make a direct contribution or use our bank details:

BSB 633 000 Ac No 146906797

Alternatively, you may choose to leave a bequest to Bass Coast Landcare Public Fund in your will. Your lawyer can assist with an appropriate clause.

Your financial support for our conservation work provides Bass Coast Landcare Public Fund with the greatest flexibility to respond to critical priorities in the future. If you have a particular purpose in mind, please contact us to discuss your wishes.

Please let us know

If you have made a contribution or included Bass Coast Landcare Public Fund in your will, please let us know so we can thank you properly. It also gives us a chance to welcome you to our growing group of bequest supporters.

Projects we are proud of

Since its inception the Bass Coast Public Fund has contributed to the following projects:

- Improvement and Sustainable Management of the Kongwak Pioneer Reserve
- Master Tree Growers Course
- Bass River Garden
- Bass Coast Arc

There are a number of other very worthy projects which we hope to sponsor but need the funds to do so.

A contribution from you can help us achieve our vision to conserve and enhance biodiversity in Bass Coast.

By making a tax deductible contribution, you have the power to help shape the future of Bass Coast's natural places...

...a future where habitat for our extraordinary wildlife and unique coastal landscapes will be further enhanced and sustained.
