

## Diversification and Innovation Discussion Group Farm Visit.

Welcome to Terramirra Park Deer Farm located in the Southern Gippsland Strzelecki ranges. Landowners Jill and Michael Vella manage their successful farming enterprise using the principles of biological farming. They have farmed deer for over 30 years and market their products using a nose to tail (no waste) philosophy. They have made a living off the 42 Ha property by value adding to their produce and successfully developing new markets.
